

## **Calgary Learning Institute Ltd.**

### **CHANGING THE WORLD ONE STUDENT AT A TIME!**

Calgary Learning is a vibrant institute dedicated to our students' success. Our diverse programming enables students to choose from a variety of courses to suit their needs. We employ the qualified teachers and tutors to help students to reach their maximum potential.

Our individualized programs, small class sizes, and commitment to positive discipline play an integral part in the recognition and fostering of individual strengths. Our dedicated and caring tutors challenge students to strive for excellence while encouraging social responsibility. We provide a community where achievement, character development, and academics are equally important aspects of the total educational experience. Helping students develop a life-long love of learning and eliminate poverty is our goal.
